The editorial team greatly appreciates the reviewers who have dedicated their considerable time and expertise to the journal's rigorous editorial process in 2021, regardless of whether the submissions were finally published or not. In 2021, a total of 43 articles were submitted to the journal, with a median time to first decision of 60 days, and 74 days from submission to publication. The editorial team would like to express their sincere gratitude to the following reviewers for their generous contribution in 2021:
