

# A Bibliometric Analysis of Recent Research on Major Rice Components

## Data Source

Scopus database  
(2020–2025)  
652 Publications

## Bibliometric Methods

Scopus Analytics  
VOSviewer Network  
Analysis

## Key Rice Components

Rice Starch (298)  
Rice Protein (141)  
Rice Bran Oil (213)

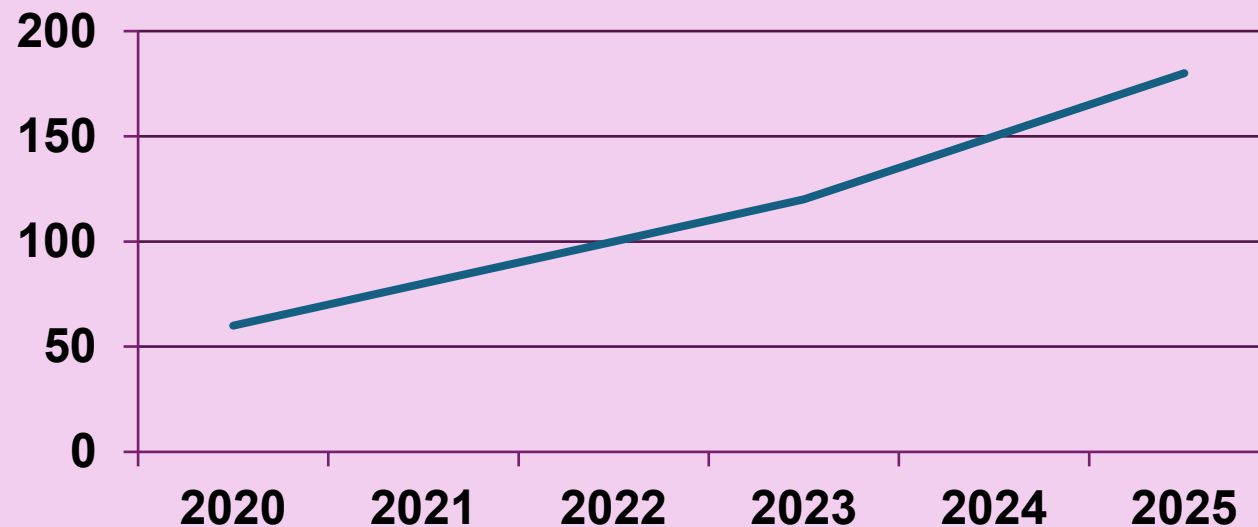

## Cluster Analysis

Rice Starch → 4 clusters  
Rice Protein → 5 clusters  
Rice Bran Oil → 5 clusters

## China Research Dominance

- Highest publications
- Leading institutions
- Funding support

## Publication Trend
