<https://so04.tci-thaijo.org/index.php/jil>

## Peer Review Process ■

Any manuscript to be accepted for publication must have been reviewed and approved by at least three peer reviewers in that particular field or related fields. The journal has a double-blind peer review policy which means that neither the peer reviewer nor the author knows the identity of each other.

## Types of articles ■

Research Article  
Review Article  
Book Review

## Languages for Publication ■

English and Thai

## Publication Fee ■

Authors are required to pay a publication fee for their articles at a rate specified by the journal, with a maximum fee of 4,000 baht.

## Open Access Policy ■

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

## ■ Copyright Notice

The Journal of Information and Learning is operated by the Office of Academic Resources, Prince of Songkla University. All articles published in the journal are protected by Thailand copyright law. This copyright covers the exclusive rights to share, reproduce and distribute the article, including in electronic forms, reprints, translations, photographic reproductions, or similar. Authors own copyrights in the works they have created as well as the Office of Academic Resources. The Journal reserves the right to edit the language of papers accepted for publication for clarity and correctness, as well as to make formal changes to ensure compliance with the journal's guidelines. All authors must take public responsibility for the content of their paper.
